

St. Jude Medical Center  
Senior Services  
Digital Literacy Technology Training and Support

IF YOU KNOW AN OLDER ADULT WHO:

- NEEDS AN ELECTRONIC DEVICE
- NEEDS STABLE, AFFORDABLE WIFI
- WOULD LIKE TECHNOLOGY TRAINING
- COULD USE SOME TECHNOLOGY SUPPORT
- COULD BENEFIT SOCIALLY AND MANY OTHERS WAYS FROM A GREATER UTILIZATION OF TECHNOLOGY

THIS PROGRAM CAN HELP!

LEARN HOW TO:

- Email
- Navigate through your computer
- Use social media platforms
- Connect with family, friends, and medical providers through video conferencing sites
- Take security measures to prevent scams online
- Use your smart phone device (texting, taking pictures, how to access your gallery)
- How to order products, transportation, etc. online
- **Receive a free desktop computer after completing the course**
